DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 3/30/2006 has been entered.

Response to Amendment

2. Applicant's amendments, filed 3/30/2006, have been fully considered and reviewed by the examiner. The examiner notes the amendments to claims 1, 12, and 23. Claims 1, 2, 4-26 are pending in the instant application.

Allowable Subject Matter

3. Claims 1, 2, and 4-26 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Claims 1-2, 4-15: The closest prior art, GB 2285592 by Betteridge (same inventive entity as in the instant application) fails to disclose alone or in combination, providing a outlet, mounted on a stator, protruding laterally into a gallery which is internal to a rotor.

Claims 16-22: None of the prior art cited or reviewed by the examiner teaches an apparatus for applying a coating to the exterior surface of a pipe with an annular shaped body with a entry point, a intake chamber, a compression chamber, a diffusing chamber, and a gallery with an interchangeable sleeve, with one or more openings to the gallery, against the inner circumferential side of the annular shaped body placed around the outside of a pipe.

Claim 23-26: The closest prior art, GB 2285592 by Betteridge (same inventive entity as in the instant application) fails to disclose alone or in combination, fails to disclose an arc shaped intake path, relative to the exterior of the pipe, which is within a annular-shaped, unitary body surrounding the pipe.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
